JVC Audio Range Update 2011

Reflecting the need for the most up to date technology available for today's farm machinery operators; this new audio range from JVC includes features such as Bluetooth®, USB, iPod® connectivity and even DAB digital radio (depending on model). With three models to choose from, plus speakers, aerials and more, customers can offer the complete range in store with existing point of sale stands.

CD Radio with dual AUX

With dual AUX-IN this unit boasts a high specification to allow connection of your digital audio player and option for Bluetooth connectivity (adaptor needed part no. VLC5724). This unit is compatible with MP3 and WMA files with ID3/WMA tags for song titles and artist names. Enjoy crisp clear sound with a quality CD player and 4 x 50W MOS-FET power amp and 24-bit DAC, adjust settings with iEQ presets and control a subwoofer if installed.

Technical features include:

- Dual AUX-IN
- Integral CD player
- Bluetooth ready (Adaptor needed – part no. VLC5724)
- 24-bit DAC NEW
- MP3/WMA compatible with ID3/WMA Tag (CD)
- Radio data system tuner
- 2.5V line and subwoofer pre-out level

Part No. VLC5719

Bluetooth® CD radio with iPod/iPhone® control

This high specification kit from JVC is packed with the latest features including Bluetooth® connectivity, 2 USB ports to connect and control your iPod® or memory stick, a front AUX input and outputs for external amplifiers. A wired microphone to make clear calls via Bluetooth no matter where the head unit is positioned. The MOS-FET 4x50W amplifier delivers quality music reproduction with iEQ control for personal preference.

Technical features include:

- 2-way iPod control and Front AUX input
- Bluetooth® wireless technology
- TI/Burr-Brown 24-bit DAC
- 3-band parametric iEQ
- Front/rear dual USB ports (WAV/MP3/WMA/iPod® & iPhone® Audio)
- MP3/WMA/WAV*3 compatible with ID3/WMA Tag (CD/USB)
- Radio data system tuner
- HS-IVi tuner
- 2.5V line and subwoofer Pre-out level
- High-pass filter
- Front AUX-IN
- Integral CD player

Part No. VLC5722
