### Don't lose sight of operations while all eyes are upfront!

Fantastic entry level digital camera, easy to set up for an immediate start. Its durable IP67-rated AHD Camera with CMOS lens allows for 1080p resolution for the clearest vision when reversing.

2 channels allow you to link up with a second camera for extra angles or a cabin view. It also features a 120° field of view and a fully adjustable camera bracket for optimum viewing. The monitor comes with a choice of a mountable U-bracket or a 3M adhesive mount for extra convenience.
