NEW Wire Brushes Range

Vapormatic has introduced a new range of wire brushes to suit a variety of applications. The new range includes hand-held and rotary brushes suitable for heavy duty cleaning, rust removal and preparation of surfaces. All rotary brushes are designed to fit angle grinders with M14 thread attachments.

The rotary brushes are supplied in merchandised display boxes, ideal for countertop displays or for wall bay/gondola shelving. Please see below for information on applications, dimensions and pack quantities.
