## NEW Heavy Duty Grease Gun – [VLB1079](#)

Vapormatic has introduced a new “Heavy Duty” Grease Gun into the existing greasing accessories range. The new model has an extendable arm and can be used as a single handed pistol grip, or for applications requiring increased leverage, a two handed high pressure lever grip gun.

The gun is designed to take 400g grease cartridges or alternatively can be bulk loaded. The gun features a slip resistant barrel grip, cast head, variable stroke and is supplied complete with straight rigid, 12” flexible extension hose and 1/8” BSP heavy duty 4 jaw coupler.

### Features:

- Extending handle for increased leverage
- Accepts standard 400g cartridges + can be bulk loaded
- Slip resistant barrel grip
- Heavy duty, hard wearing build quality
- Metallic grey barrel

### Specification:

- High quality, cast head for maximum durability and performance
- Slip-resistant grip on barrel
- Variable stroke; maximum stroke output of 1.1ccm (0.03oz)
- Supplied with straight rigid and 12” flexible extension hose,
- Includes 1/8” BSP heavy duty 4 jaw coupler.

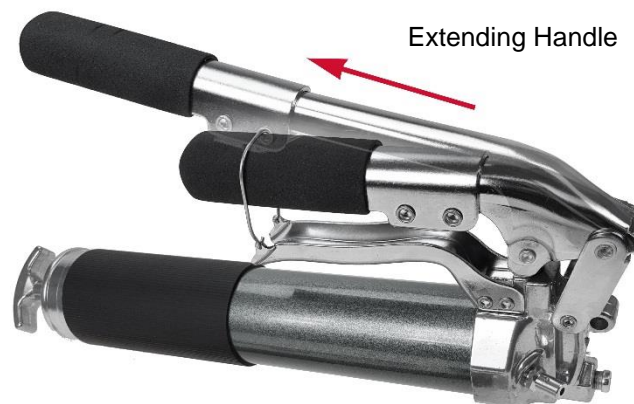

### Compatible with:

Multi-Purpose Grease [VLB1056](#)  
(Standard Cartridge - Pack of 12)
