New IDC5 version:

The IDC5 (version 15.0.0) Ag & Construction update features a large number of developments for the diagnosis of agricultural vehicles, construction & earth moving equipment, industrial engines as well as container handling vehicles.

IDC5 Ag / Construction (version 15.0.0) additions:

Agricultural:

- Claas: Jaguar SP foragers – MAN V12 diesel injection
- Dieci: Agri Max, Plus & Tech telehandler – Denoxtronic & EDC 7UC31 diesel injection
- JCB: Fastrac – ABS, Transmission & Gateway diagnosis, 500 series telehandler - T4 Delphi DCM3.3+ diesel injection
- John Deere: 6R series – PowerQuad, AutoQuad & IVT transmissions calibration has been added
- John Deere: 7R series – Brake calibration has been added
- John Deere: 8R series – Rear linkage, Front axle, AC & brake calibration has been added
- John Deere: 6J & 7J series – Vehicle check-up, Diesel injection, PTO, rear linkage calibration & Cabin module/armrest
- John Deere: STS combines – Vehicle check-up & diesel injection
- Krone: Big-X SP foragers – MAN V12 diesel injection

Construction:

- Bobcat: E series excavators & S series Skid-steer – complete vehicle diagnostics
- Doosan: DL series loaders, DA series dumpers, DX series excavators – diesel injection
- JCB: 400 & TM series loaders, 500 series telehandler, CX backhoes - T4 Delphi DCM 3.3+ diesel injection
- Takeuchi: Skid-steer – Kubota diesel injection

Industrial Engines:

- FPT EDC 17CV41 - diesel injection
- VM Motor T3 & T4 – diesel injection
- Isuzu engines - Tier 2 & Tier 3, 4 & 6 cylinder engines
- Diagnosis of Cummins QSB engines – diesel injection

VLC5970 Navigator TXTs Interface:

The Navigator TXTs is the most powerful, highest performer of Texa's vehicle interfaces and lets you work in the Ag, Construction, Car, Truck, Bike & Marine environments. You can use it to run auto diagnostic tests, view parameters, status, warning lights & maintenance, service & airbag indicators. The Navigator TXTs is compatible with PASS-THRU protocol*, which allows workshops to connect to manufacturers' central information.*

Air Conditioning:

VPM8875* (UKA6000 promotion):

Konfort 705R Air-conditioning service station for R134A gas only. (Inc. Printer, heater belt, 6kg of R134A, gloves, goggles & x5 paper rolls. With SD card)

VPM8876 (Z10480UK)

Konfort 705R (Off-road) A/C unit for R134a gas only. (With SD card)

Designed for use on rough surfaces. This recharge station is equipped with two large rear wheels & tyres filled with anti-puncture foam.

A robust metal bar improves the recharge station's already high stability during operations. The station is also fitted with a scale's lock to prevent loss of calibration during movement over rough ground.

*NB – All promotions are valid from 1st January 2017.

Available only to UK & Irish Customers, All prices are subject to VAT.

For more information, please contact your local territory manager, or stockist for details
