New Vapormatic Rubber Flooring Rolls

Vapormatic is pleased to announce the introduction of a new range of rubber flooring. Supplied as 5 metre rolls and available from a choice of four different tread patterns. Typical applications can include trailer or horse box flooring, tractor or machine cabs, door and walkway matting, kennels. Made from natural rubber, the non-porous flooring helps avoid bacteria build up, is easy to clean and dries quickly.

The rubber flooring provides resistance to chemicals and is RoHS and REACH compliant.
